

Chapter: XV

The Last Words:

The Last Words

All we wanted to do is teach. And, all we want you - the Senators and Assembly members - to do is perform sincere and honest oversights of the Government agencies and their official, and protect the Californian Citizens from their abuse and corruption.

CTU's MSCS program is a graduate level and met both the original *Minimum Educational Requirements in Order to Award a Graduate Degree* (Cal. Code Regs., tit. 5, § 71865, subd. (a)): (Cal. Code Regs., tit. 5, § 71865, subd. (a)) and the twisted SOI#8 that asks for rigor. Yet Judge Johnson constructed misleading and false finding and drew a decision that CTU's program did not meet the minimum requirement as stated in the above regulation. BPPE, DCA and Attorney General sang the same chorus. Our repeated request to the State senators, Assembly members, DCA director, and BPPE Chief to carefully review the documents, the facts and the regulations; failed to get their sincere attention.

Hence, finally, Mr. Dean R. Grafilo's deputy, Mr. Ryan Marcroft, ordered CTU to close down its operation. Fully illegally and all our elected officials looked the other way. With this, State of California not only committed one count of wrongdoing but also committed over 1000 counts of wrongdoing. CTU is the only one that has the tenacity and conviction to fight against injustices the, as it states on the Attorney General's Emblem, - **"Liberty and Justice Under Law"**.
